WELCOME TO RAJ INTERNATIONAL EXPORTS

Raj International Exports, an ISO 9001 : 2015 certified company is one of the Finest, Manufactures, Exporters, Traders and Suppliers of supreme quality range of Sports Goods. It began its operation in 2003, having a head office at 1372, sector- 44B Chandigarh, India and International office at 75 Rosehill Drive, Papakura, Auckland, New Zealand and manufacturing house at Jalandhar city, Punjab, India also famously known as the city of sports goods.

The offered products are exported all over the world. The offered range comprises the finest Soccer Balls, Rugby Balls, Volley Balls, Basket Balls, Cricket Equipments, Sports Bags and Sports Accessories having high demand in the market. This is manufactured in compliance with the set industry norms and guidelines, utilizing the finest raw materials and modern machines. This ensures the product's finest finishing, strength and durability. Further the range is marked at the most reasonable rate.

Our highly advanced state - of-the-art infrastructure has been laced with all the necessary machinery and equipments, needed for the attainment of several of the firm's, predefined goals and objectives. For maximising our reach in the market, the facility undergoes regular up-gradation. The facility has been parted into several highly operational units for smoother and effective management. In addition to this, our highly ethical work practices have helped us to generate a huge client base.
